

## **Kennington Park Estate Tenants' & Residents' Association**

\*\*\*\*\*

**Our Annual General Meeting is on  
Wednesday 26 September 2018  
at 7pm  
in Kennington Park Community Centre  
Everyone is welcome.**

**Come and have your say, hear what's been going on, and  
elect our representatives for the coming year.**

**Cllr Claire Holland and Hyde's Property Manager,  
Matt Hopkins, will be available from 6.30pm if you  
want help or advice – or just a cuppa and a chat!**

**Over the past year the officers of the TRA have been very busy, managing our Community Centre and negotiating to keep it open for at least another three years, as well as taking up residents' concerns collectively and individually about repairs and maintenance, cleaning, grounds maintenance, anti-social behaviour, fire safety, CCTV, parking, service charges, vermin control, local planning issues and much more – sometimes with some success, always with much frustration!**

**Elections for the TRA's officers and Executive Committee will take place at the AGM. We aim to have at least one representative of each block on the Estate on the Committee – volunteers are always welcome. The agenda also includes our Annual and Financial reports.**
