

WELCOME

To our construction update newsletter at Oval Village. This has been designed to keep you updated about our key activities on site and within the community.

Development Photos

Piling Rig – From Mid-November

General Site Activities Information

This column aims to keep you up to date of all the activities occurring in the upcoming months:

- Axis Building is now demolished
- The ground preparation ahead of our piled foundations is nearly complete for our 1st block
- The piling rig will arrive and commence on the 11th November
- You may notice people on the gas holder site:
 - Removal of old temporary cabins
 - Alterations to the Montford Place entrance
 - Service disconnections
- SGN will be on and around site working on their gas infrastructure over the next few months, mostly around their old offices, Montford Place and Vauxhall Street.
- In November we plan to modify the temporary Tesco store entrance junction on Kennington Lane.

1st Block Ground Prep
